OBJECTIVE

Passionate and dedicated MERN Stack Developer with solid hands-on experience in building dynamic and responsive web applications. Specializing in React.js, I bring a strong foundation in front-end and back-end development, with the ability to follow Figma designs and technical documentation. As a CSE diploma student, I aim to grow as a software engineer and contribute to impactful, user-centric projects. Now I'm Learning Next.js And I'm Complete Web Development with MERN Stack in Programming Hero Batch -9.
